Re: WC Docket No. 11-42 - Lifeline and Link Up Reform and Modernization
NOTICE OF EX PARTE PRESENTATION

Dear Ms. Dortch:

On December 22, 2011, undersigned counsel for TracFone Wireless, Inc. ("TracFone") met with Zachary Katz, Legal Advisor to Chairman Julius Genachowski and with Sharon Gillett, Chief, Wireline Competition Bureau. During this meeting we discussed various issues before the Commission in the above-captioned Lifeline and Link Up Reform and Modernization proceeding. Specifically, we discussed the following:

- Whether Link Up support should be provided to wireless Eligible Telecommunications Carriers and, if so, under what circumstances;
- Whether the Commission should modify the current rules governing initial determinations of customer eligibility for Lifeline benefits;
- Whether the Commission should establish standards for advertising and other promotional materials describing Lifeline services;
- Whether the low income program should be subject to a periodic cap;
- Whether there should be mandatory minimum payment requirements for Lifeline-supported services.

Positions expressed on behalf of TracFone during this meeting were consistent with those positions taken in prior written submissions.

Pursuant to Section 1.1206(b) of the Commission's rules, this letter is being filed electronically. If there are questions, please communicate directly with undersigned counsel for TracFone.

Sincerely,

Mitchell F. Brecher
